

The softest and most precious cashmere, combined with the finest cotton,
for cotton-cashmere fabrics, in intimate blends, with a warm and enveloping hand.
The most refined and precious flannels, obtained by delicately gauzing
the surface of the fabric, for a soft and silky touch.
The High Twisted fabric, with easycare, chemical-free characteristics,
made using extra twisted yarns that offer a snappy and resilient hand.
Eye-catching and mysterious solid colours, thanks to the use of melange yarns.
